

# Dynamic Spaces<sup>®</sup>

## Transformative Surface Design for Walls

## Magnetic Dry-erase Wallcoverings

### High Performance Collaborative Surfaces

Create wall-to-wall magnetic dry-erase surfaces that are custom, tolerant to frequent use and guaranteed not to ghost over time. These specialized dry-erase surfaces are unmatched in long-term durability, serving as an ideal brainstorming platform for offices, ideation labs, collaborative workspaces, conference rooms, home offices and more.

A new collection of magnetic materials by Visual Magnetics for office, home and more.

## MindLayers<sup>™</sup>

### High Performance Magnetic Dry-erase Layers

Sticky-notes just got a major upgrade — we call them Mindlayers. Designed for use with our wall-to-wall high performance dry-erase, these magnetic dry-erase productivity aids are a reusable so you can brainstorm and collaborate endlessly without harming the planet. Mindlayers are available in a wide range of colors, shapes, sizes and templates, and can be custom printed to fit your unique work flow.

# ModuLayer™

## Interactive Modular Wallcoverings

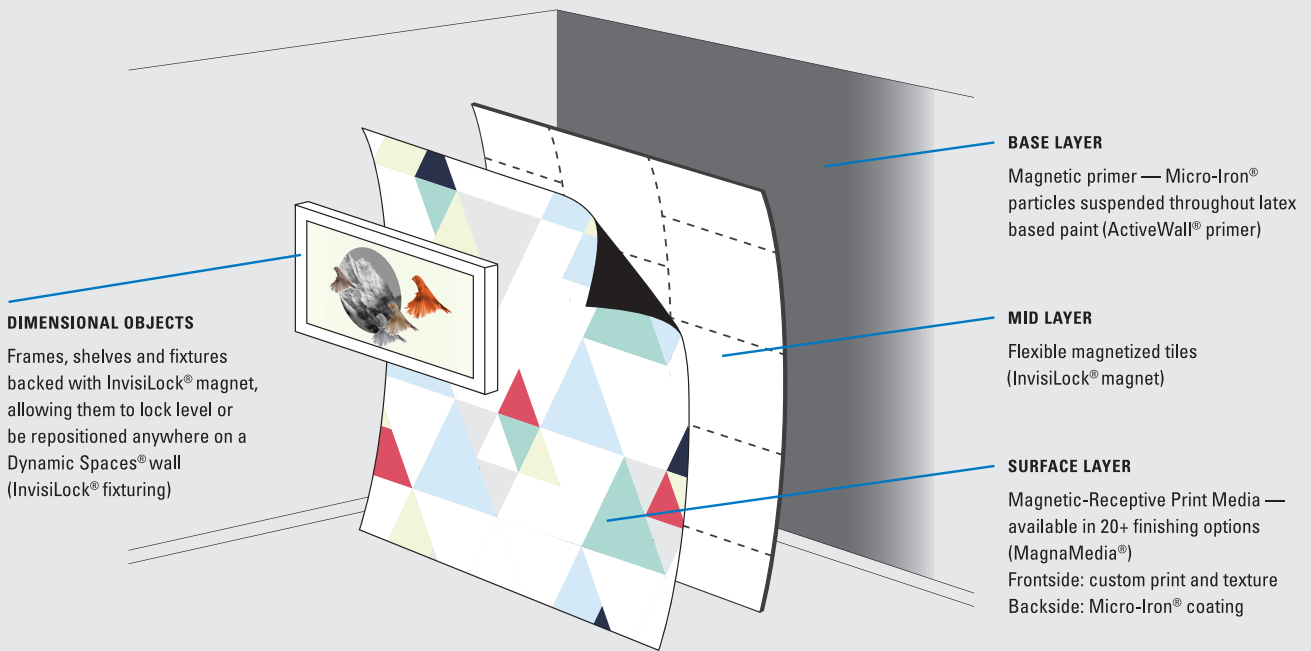

ModuLayer magnetic wallcoverings bring the idea of 'play' to textiles for home, office and more. Easily move the magnetic layers around to create unique patterns as often as you feel inspired. These unique interactive wallcoverings are available in a range of designs and can also be custom printed.

# VM-SHELF™

## Repositionable Shelf, Locks in Place

There are a wide range of possibilities for compatible accessories and fixtures that can be customized for Dynamic Spaces. These include shelving, marker holders, frames, plant holders and more that lock level onto the wall using our patented InvisiLock magnet technology.
